

Fall Certification

Oregon Farrier School OFA Chapter

American Farrier's Association

AFA Certification

Come join us at Oregon Farrier School for our fall certification. AFA examiner **Allan Larsen, CJF from Texas**, will be there overseeing the testing. Candidates will be testing for all levels of certification. Come visit beautiful Silverton Oregon and the home of Oregon Farrier School.

September 17 and 18

Friday 6pm: Written and Shoe Displays

Saturday 8:30am: Practical Portion (Horses)

Contact: Beau Whitaker, CJF. 541-777-2110

Attention Full and Part time Farriers. Spectators Welcome and admitted for free!

AFA certifications are facilitated and attended by a friendly group of people who support and root for one another to achieve higher levels of certification by proving that they can fill a particular shoeing prescription when asked upon. This forces candidates to be more proficient in anatomy, physiology, pathology, theory, forging skills, and shoeing finesse.

We encourage Full and Part time farriers to come see for themselves what this certification program is all about.
