

# Fall Certification

## Oregon Farrier School OFA Chapter

American Farrier's Association

## AFA Certification

Come join us at Oregon Farrier School for our fall certification. AFA examiner **Brian Buckner, CJF from Colorado** will be there overseeing the testing. Candidates will be testing for all levels of certification. Come visit beautiful Silverton Oregon and the home of Oregon Farrier School.

**September 21, 2019, 8 a.m.**

**Contact: Beau Whitaker, CJF. 541-777-2110**

**Attention Full and Part time Farriers. Spectators Welcome and admitted for free!**

AFA certifications are facilitated and attended by a friendly group of people who support and root for one another to achieve higher levels of certification by proving that they can fill a particular shoeing prescription when asked upon. This forces candidates to be more proficient in anatomy, physiology, pathology, theory, forging skills, and shoeing finesse.

We encourage Full and Part time farriers to come see for themselves what this certification program is all about.

**Oregon Fall AFA Certification**  
**Located at Oregon Farrier School**  
**13000 Finlay Rd**  
**Silverton, OR. 97381**
